& Runners-Up!*

26th Annual BPT Readers' Choice Special Edition Is Here!

Twenty-six years is a long time. And, that's exactly how long the Bossier Press-Tribune has been honoring and recognizing Bossier Parish's best. As such, our 26th Annual BPT Reader's Choice edition is here, included as a special insert in this week's edition of Bossier Press-Tribune. We are proud and honored to present Bossier's favorites to you for the 26th consecutive year. Inside the special section pages included in this week's BPT, you will find Bossier's favorites in 82 distinct categories. These businesses and individuals were selected by you, our loyal readers.

Our Reader's Choice edition is one of our biggest and most important special sections of the entire year. And, of course, this is a big and important special section for our winners too.

The opportunity to publish our annual Reader's Choice edition is extremely important to our entire BPT staff. We are all about Bossier! We are Bossier's newspaper! We are Bossier proud! And we are Bossier strong! As such, we take immense pride and great pleasure in presenting the Best of the Best in Bossier Parish for 2025 in our 26th Annual BPT Reader's Choice special edition.
